HAVE YOUR SAY

West Northants Council have recently published a very important Consultation that has options for massive housing growth in this Deanshanger Ward and across the whole of the council district.

The council is asking for your views on two sites, one south of Towcester and on the Towcester Racecourse and the second at the A5 / A508 roundabout and toward Deanshanger village.

The Towcester South land is said to have the potential for **4,500 houses**. The A5/A508 Old Stratford area is said to have capacity for **6,000 houses**.

The areas with the **blue shading** are being considered and your views are being sought. In addition, the council wants your views on adding **additional housing to every existing town or village** and is asking land owners to come forward with sites.
