### **Village Hall;**

Nothing to report.

### **Housing;**

Nothing to report.

### **Road condition and overhanging trees/bushes**

Potholes; 7 have been repaired to a high standard; 3 in Larks Lane, 1 in Crosstree road, 2 in Deanshanger Road (near the junction with Crosstree Road) and one in Wicken Park Road (near the junction with Larks Lane).

### **Solar farm 2;**

We have made contact with the new owner Scottish Power Renewables and they are looking to mobilise construction on site at the beginning of 2023, and are currently working at gathering information to discharge the planning conditions for the site.

### **Streetlighting (9 heritage lights);**

We have reached an agreement with EON regarding the embellisher kits (which have been ordered), and have paid the outstanding invoice.

A vehicle has damaged one of the new lampposts in Church Close, which has been righted-remounted & the inspect hatch replaced by EON. However the lantern does not work, EON is aware and plan to fix it fully ASAP.

Once EON have completed all the work they will let us know the cost of repair.

Our insurance company has been contacted.

### **Path Wardens;**

West Northamptonshire Council are generally encouraging residents to report footpath & bridleway problems via FixMyStreet or Street Doctor.
