

WICKEN VILLAGE YOUR LOCAL TAKEAWAY UPDATE

Most takeaways seem to prefer delivery and card payments, which can often be made over the phone rather than collection and cash, and for the safety of their staff as well as their customers. Many are taking extra precautions and will not touch door handles, but leave the food outside the front door on delivery.

Some takeaways have longer waiting times than usual for delivery owing to the increased demand. However, it may be possible to pre-order (by phone or online) for delivery at a certain time. **Please note: some of these details may change at short notice.**
