Good morning.

Please see my forwarded email below for your information. If I need to send it to anyone else at Northamptonshire council, please let me know.

Kind regards.

Dear Neil.

I hope you and your family are enjoying the holidays. Several times since our arrival here in June we have been worried over speeding traffic on the road stretch outside Quarry Green Close. Several times we've seen the same 2/3 lads speeding and sadly woke up this morning to the images attached. Only a few more metres and it could have been in our kitchen.

My husband spent time this morning on the phone to the police as they were unaware. If you know the farmers details, please can you alert him as his fence/hedge is damaged.

Please can I ask it's discussed at the next meeting: we are more than happy to help in writing for a camera etc.

Many thanks for your help.

Kind regards.

Mrs Holmes.
